OF  
DESIRE

Now this is the noble truth of the origin of Suffering: it is Craving which leads to re-becoming, accompanied by delight and lust, seeking delight here and there; that is, craving for sensual pleasures, craving for becoming, craving for disbecoming

I founded PIPIT because I want to bring live music back into people's homes. You can't hang the Mona Lisa in your kitchen, but you can have the Goldbergs performed in your sitting room.

I can devise a concert around any theme, and to suit any occasion. Call or email me to discuss your ideas, and organise a concert in your own home.
